

The Naughty Noel Weekend Event Policies

It is our goal to provide a safe and fun space for all to everyone. Help us to create that environment by observing these rules. Failure to follow the rules or verbal direction by event, security, or medical staff may result in your removal from an activity or the event.

Age Limits:

You must be 18 years old to attend the event. You must be 21 or older to purchase or drink alcohol. Please drink responsibly. We reserve the right to terminate your alcohol privilege.

Alcohol/Drugs:

Studio 58 strongly discourages consuming alcohol and playing. Please be responsible if you choose to indulge. Inside the event space, alcohol can only be obtained at the hotel-staffed bar. Underage drinking will not be tolerated, both the drinker and the alcohol provider will be subject to being removed from the event without refund. Illegal drugs, illegal substances and/or firearms may not be brought into the event space at any time. We reserve the right to remove anyone who we feel is intoxicated, or otherwise inhibited, from the event space.

Attendee Registration & Wristbands:

Every attendee must register in advance for this event. Each badge will be pre-printed with the badge name that you provided during your registration.

- A valid, current government-issued photo ID that matches the legal name you used during your registration is required for entrance to event. No exceptions.
- **All attendees must wear their wristbands and name badges at all times in order to maintain our privacy and security at the host hotel.** Make sure your badge is visible. Wristbands must be secured around a wrist only. If your wristband breaks or is damaged, bring the broken band and your legal ID to registration to receive a replacement band. Attendees without proper wristbands will be removed from the event.

Cellular Phone, Mobile Devices & Electronic Recordings:

Our attendee's privacy and discretion is of utmost importance:

- No images or electronic recordings in any form are to be captured of the attendees or event activities by anyone other than designated Studio 58 photographers.
- Use of cell phones and personal electronic devices is **STRICTLY** prohibited outside of the hotel's public areas (hotel lobby and restaurant/deli) or your private hotel room. This restriction limits image capturing, recording, texting, web browsing, and other mobile access.
- Exceptions: Registered vendors and class presenters may use electronic devices for business or educational purposes during the event. If you need to use a personal electronic device for accessibility reasons, discuss your communication needs with the Onsite Registration Desk.
- ANY violation of this policy may result in a warning or your immediate removal from the event, depending on the circumstances. Any found images or recordings will be confiscated and deleted by event security.
- If you see another attendee breaking this rule, please advise a dungeon monitor, security, or Studio58 staff so we can handle the situation immediately.

Clothing-Optional, Sex-Positive & Kink-Friendly Event:

Nudity, sexual penetration, BDSM activities between consenting adults are all allowed inside the event space, but prohibited in the public areas of the hotel.

- This is a Clothing-Optional event when behind the curtains. You need to be clothed appropriately outside the hotel (parking lots, entrances, outer balconies), and inside the hotel's public areas: lobby, deli/restaurant, and lounge. After you pass through the lobby into the curtained event space, any degree of nudity is allowed. You should bring a robe or covering if you plan to travel between spaces.
- Fluid exchange, sexual penetration, or BDSM activities are allowed in our event's Playspace and activity areas, on the indoor poolside deck, and in your own guest room. No fluid exchanges, sexual penetration, or

BDSM activities are allowed in the hotel's public areas per health regulations, which include: hallways, inside the swimming pool, public restrooms, lobby, lounge, deli/restaurant, or on any hotel owned furniture.

- Keep in mind that not everyone incorporates sex or BDSM into their play or socializing.
- If you plan to move through the event with uncovered genitals, please bring a towel, blanket, or other barrier to use when you sit on any furniture or equipment.

Consent & Harassment:

All activity should be consensual, both in and out of play, in both actions and language. All attendees and staff are expected to treat others with respect and consideration. The Naughty Noel Weekend will follow these consent principles:

- **Safe** is being knowledgeable about techniques aware of risks and safety concerns about what you are doing, and acting according to that knowledge.
- **Sane** is making responsible choices, and acting according to that knowledge.
- **Consensual** is respecting limits imposed by each participant at all times. Only yes means yes. No means no.
- Safewords must be respected. **Event safeword** is "RED" for stop. If someone participating in an interaction or scene says "RED", the participants must cease activity to respond or it will be interrupted by staff or DM's.
- Harassment of other attendees will absolutely not be tolerated.
- If you experience unacceptable behavior or witness an incident with another attendee that makes you feel unsafe at the event, please notify staff.

Hotel or Equipment Damages:

Do not engage in behavior that may damage any walls, fixtures, or furniture in the any area of the hotel. You will be held personally responsible for any damage you cause or participate in. Ask event staff if you are not sure whether it might result in damage.

Illegal Activities:

Anything that is against the law in the state of Pennsylvania or the United States is still illegal at the event. This includes solicitation, prostitution, negotiation of payment / compensation for play or sexual services, or use or sale of illegal substances within the event. Any violator will be immediately ejected from the premises without refund and banned from further Studio 58 events.

Inclusion & Respect:

Studio 58 does not tolerate discrimination of any kind and offers a judgment-free experience to ALL attendees, no matter their sexual orientations and choices, relationship dynamics, kink preferences, gender identity/presentation, race, cultural background, socioeconomic status, and/or those with disabilities.

- Be respectful of people, including (but not limited to) respecting people's pronouns, roles, relationships, and expression of their own sexual or BDSM interests.
- Avoid making nonconsensual racist, homophobic, sexist, ageist, ableist, sizeist, or other prejudicial remarks.

Non-Smoking Event:

Smoking is not allowed inside the hotel, including the event space and any hotel rooms. You will be held personally responsible for any damage you cause or participate in due to smoking or careless disposal. Please respect other attendees by not smoking in front of doorways, windows, or other entrance areas.

Photography Policy:

We know you may want photographic evidence of your creative outfits and kinky play, so official Studio 58 photographers will be available in the Playspace each night from 9PM-3AM. Pictures can be viewed and purchased at reasonable fees at the Onsite Photography Booth open each night outside Noel Lane. Additionally, there are several opportunities to have free commemorative photographs taken of you and your friends against our seasonal backdrops. See the *Event Schedule* for days/times.

During check-in at Onsite Registration, all attendees will be asked to sign a permission waiver to allow an official staff photographer to take their picture inside the Playspace or to decline photographs.

- To allow photographs, you will be issued a GREEN wristband to wear all weekend.
- To decline photographs, you will be issued a RED wristband to wear all weekend.
- If you decide to change your photography preference, you may exchange wristbands. Return to the Onsite Registration Desk in Hotel Lobby during the day or the Photography Booth outside Noel Lane after 9PM.

Our photographers will not take photos of anyone unless they clearly display a green wristband. If anyone wearing a red wristband is accidentally caught in the background of another shot, that image will be deleted during the photograph editing process prior to allowing access to those photos. Each photographer will leave a card with a scene number if they take any photos. After each image is screened for wristbands and quality, you can view and decide whether to purchase any images at the Photography Booth.

Playspace Rules

Dungeon Monitors and medical or security staff must be obeyed at all times. It is their job to monitor for overall safety or emergencies and to enforce event rules. Persons who do not cooperate with these staff may be removed from the Playspace or the event without refund.

Event-wide safeword is “RED” for stop. If someone participating in an interaction or scene says “RED”, then participants must cease activity to respond or it will be interrupted by DM’s or staff.

Reminder: no cell phones, cameras or electronic recording devices are allowed in Playspace. Official Studio 58 photographers will be available to photograph your scene at reasonable rates if desired.

Proper scene etiquette is required throughout the event.

- Respect others’ personal space.
- Do not interrupt, or interfere with a negotiation, scene, or personal interaction.
- Do not touch anyone, or anyone’s personal property, without permission.
- Do not let your scene interfere with others in the Playspace or around the event.
- Respect hotel staff at all times. Keep in mind that they may be uncomfortable about viewing sexual or BDSM activities at their workplace.

Clean up the space as you use it throughout the event.

- Wipe down equipment before and after use.
- Chux/coverings must be used on furniture or equipment when in direct contact with genitals or body fluids.
- We strongly encourage the use of barriers (condoms, internal barriers, gloves) when engaging in sexual penetration or fluid exchange.
- Pick up after yourself, and dispose of trash in a trash can.
- No glass containers allowed in the play space or pool deck.

Abide by Studio 58 Playspace Restrictions

- Nudity, sexual penetration, fluid exchange, BDSM activities between consenting adults are all allowed inside the Playspace.
- Restricted Activities: fire play, needle play, medical or blood play, and wax play are restricted to designated areas inside the Playspace with DM approval first. You must cover the equipment / floor and dispose of all sharps, flammable liquids, and wax supplies once finished. Prohibited activities: watersports, golden showers, scat, sploosh, firearms (or firearm replicas), pyrotechnic or ballistic devices, automatic knives, daggers, or sword canes (the last three being illegal to own or carry in PA). Do not place static rope around the neck. Scenes will be stopped, items will be confiscated. Breathplay is prohibited.
- We encourage you to inform DM’s if you intend to engage in play that appears to be unsafe or non-consensual. This may prevent your scene from being interrupted.

- Mats must be maintained under the bottom during any suspension. Only climbing-grade straps are to be used to attach suspension rings to our rigs. Only climbing-grade carabiners are acceptable to use during a suspension.
- Do NOT move equipment without the express permission and aid of a DM or staff.

If an activity disturbs you (that falls within Naughty Noel's rules), it is your responsibility to remove yourself from the situation. If you are concerned about the safety of an activity or individual, please inform a DM or staff rather than approaching players directly.
