## Registration & Refund Policies

Register for Naughty in Nature Weekend 2023 at <https://studio58events.com/naughty-in-nature-weekend-2023/>.

- Each registration allows all-inclusive event access from Friday (October 13) at 2PM to 11AM on Sunday (October 15), which includes your registration, single cabin bed or RV spot, meals, fees & taxes
- Extend for add-on Thursday (October 12) for \$100
- All registration charges will be processed at time of registration. Event registrations are not final until payment has been received in full.
- Transactions are being processed through SparkleBear Events (d/b/a Studio 58 Events). All customer service requests should be sent through [michelle@studio58events.com](mailto:michelle@studio58events.com).
- Each registrant will need to complete their own registration and payment. At this time, we cannot process group reservations or payments.
- Each badge will be pre-printed with the badge name that you provided online during your registration. A valid, current government-issued photo ID that matches the legal name you used during your registration is required for entrance to the event. No exceptions.
- All attendees must wear their wristbands and name badges at all times in order to maintain our event's privacy and security at the campground. Make sure your badge is visible. If your wristband should break or become damaged, you must bring the broken band and your legal ID with you to registration to receive a replacement band.
- The last day to transfer, cancel, or receive a refund for an event registration is 11:58PM on Monday, September 25, 2023. All cancellations are subject to a \$35 handling fee per-registrant. If anyone needs to cancel for personal reasons after Sept 25, we will try to work with you on a case-by-case basis.
- We reserve the right to refuse service to anyone and cancel their registration. If we cancel before the event, you will receive a full refund.

## Cabin Bed Reservations (*Included in Your Registration*)

After you register, you can request your cabin bed through our Naughty in Nature Event YAPP at <https://my.yapp.us/S58CELEBRATE>. The Event YAPP is restricted to registered attendees and usable on mobile phones and tablets. We use the email address you provide during registration to limit access to the YAPP. Send any email changes to [@Studio 58](https://twitter.com/Studio58) on Fetlife or [michelle@studio58events.com](mailto:michelle@studio58events.com).

- Request your first and second choices for cabin reservations by completing a simple Google form.
- Cabins range from seven to thirteen beds on each side. Cabin descriptions and a camp map will be posted inside the Event YAPP on May 15.
- Most of our cabins will be hosted. Some of these cabins are private (invites only), while most of them will happily accept new-to-them folks.
- You can also indicate that you have no preference during your cabin reservation, and we'll handle it.
- You may tent outside instead of sleeping in a cabin, but we will still assign a cabin and bed/bathroom to you in case of emergencies or poor weather.

## RV Reservations (*Included in Your Registration*)

You may bring a RV/camper through our Naughty in Nature Event YAPP at <https://my.yapp.us/S58CELEBRATE>. However, we will still assign beds so you have access to a bathroom and a place to stay in case of inclement weather or emergencies. A limited number of RV spaces with 20-Amp / 30-Amp / 50-Amp hookups are available, and you will need to be self-contained. There is a special area where RVs or campers can park to provide a solid surface and minimize damage to the fields. Your all-inclusive price would not change. You can register for the event normally, and put RV/CAMPER in the question about whether there is a group or individual you wish to cabin with. You can also request your cabin/RV reservation by completing the simple Google form through the Event YAPP. RV spots will be assigned on a first-request/first-assigned basis.
